21 thoughts that can lead to wealth

By Rennie Gabriel, The Financial Coach, Inc

Read daily to reach your financial goals:

1. You cannot buy a good reputation. You can only earn it.
2. No book is as good as working with a person.
3. You will not become financially free by becoming debt free.
4. It only takes 10 seconds to know your money.
5. Measure your pleasure to create wealth.
6. Parents cannot teach what they don't know.
7. Create your goal from the future, not the present.
8. Know the difference between good and bad debt.
9. Create investable assets instead of personal use assets.
10. Delay for a day a big money decision.
11. Pay yourself first. It's worked for 5000 years.
12. Creating wealth is NOT a do-it-yourself project.
13. Invest NOW, before you pay off debts.
14. More money does not solve a problem of mismanagement.
15. Creating wealth may not be easy, but it is simple.
16. Find the mentor who is where you are going.
17. Will the next purchase contribute to or contaminate your wealth?
18. You choose either excuses or solutions.
19. By respecting small amounts of money you can create big amounts.
20. Systems solve everything.
21. There is a big difference between being good in math and knowing how money works.

All of the above are fully explained in the *Wealth On Any Income* book.
